

FX is a new ministry created to help Christian families. As part of this ministry, we would like to provide tools for parents. Each week we will post new questions

based on that week's Sunday school lesson. The questions are designed to get parents and children talking, even if you missed a week in Sunday school. Use these questions to help you be more intentional in your conversations with your children. Use them in the car or waiting in line at the grocery. Use them before, during or after dinner. The point is simple. We want to help enhance your family experience!

Bible Story - God Gives A New Name - Jacob's New Name
Genesis 32:24-32 & Genesis 35:9-15

Questions for all ages

1. Jacob was afraid Esau was still angry with him. Tell about a time you had a disagreement with a family member and how you forgave each other.
2. Jacob prayed, asking God to rescue him from his brother. What is something that scares you? Let's talk to God about it.

For older children add these questions

1. Why is it important for our family to forgive one another's past mistakes?
2. For what have you been shown grace in our family?
3. What difficult situations has God used to lead our family to him? What positive changes did you see take place in our relationship with one another and with God as a result?
4. What are some ways God has blessed our family? How can we use what He gives us to bless other?

Family Challenge: Search the internet (or the notes in your bible) for the meaning of each person's name in this week's story from Genesis 27:1-40 & Genesis 28:10-22. Was the name a good fit?
