

FX is a new ministry created to help Christian families. As part of this ministry, we would like to provide tools for parents. Each week we will post new questions

based on that week's Sunday school lesson. The questions are designed to get parents and children talking, even if you missed a week in Sunday school. Use these questions to help you be more intentional in your conversations with your children. Use them in the car or waiting in line at the grocery. Use them before, during or after dinner. The point is simple. We want to help enhance your family experience!

Bible Story - Noah's Ark - Genesis 6:5-9:17

Questions for all ages

- Tell about a time when you were punished for making a wrong choice.
- What would have happened if Noah disobeyed and didn't build the ark?
- Tell about a time you did not get punished even though you deserved it.

For older children add these questions

- What are some things our family does that might upset or grieve God?
How can we change that?
- What can our family learn about God's love for us through His love for Noah?
- How can seeing God as a loving father help us to model grace to one another?
- God showed commitment to us through saving Noah.
How can we show our commitment to one another?

Family Challenge: Choose someone to show kindness to as a family by giving them a special gift or serving them in a special way.
