

FX is a new ministry created to help Christian families. As part of this ministry, we would like to provide tools for parents. Each week we will post new questions

based on that week's Sunday school lesson. The questions are designed to get parents and children talking, even if you missed a week in Sunday school. Use these questions to help you be more intentional in your conversations with your children. Use them in the car or waiting in line at the grocery. Use them before, during or after dinner. The point is simple. We want to help enhance your family experience!

Bible Story - God Calls Abram -

Genesis 12:1-4; 15:1-6; 17:1-14

Questions for all ages

- Tell about a time someone made a promise to you or you made one to someone else. Was the promise kept?
- Do you think it was hard for Abraham to believe God would really give him a big family? Why?

For older children add these questions

- Why is it important for our family to live every day in obedience to God?
- How does the way our family lives affect our mission as God's people?
- How can obeying God even when we don't understand how He is working strengthen our family relationship?
- In what ways could our family do better when it comes to trusting God with the future?

Family Challenge: Look at the sky on a clear night. Try to count the stars. Discuss how God always keeps His promises.
