

FX is a new ministry created to help Christian families. As part of this ministry, we would like to provide tools for parents. Each week we will post new questions

based on that week's Sunday school lesson. The questions are designed to get parents and children talking, even if you missed a week in Sunday school. Use these questions to help you be more intentional in your conversations with your children. Use them in the car or waiting in line at the grocery. Use them before, during or after dinner. The point is simple. We want to help enhance your family experience!

Bible Story - Tower of Babel - Genesis 11:1-9

Questions for all ages

- What are some talents or gifts God has given members of our family?
- How have you been tempted to use your gifts to make people think you're great?
- How can you use your talents to show how great God is?

For older children add these questions

- How well would you say we pursue humility and fight pride in our family?
- Why is it so important for our family to consult God in the decisions we make?
- What are some successes our family has experienced? Did we take the credit for them or did we glorify God?
- What are some practical ways our family can make sure we are working to advance God's kingdom, not our own desires?

Family Challenge: Identify a specific way you can use one of your talents or gifts to honor God, and do it!
