

*FX is a new ministry created to help Christian families. As part of this ministry, we would like to provide tools for parents. Each week we will post new questions*

*based on that week's Sunday school lesson. The questions are designed to get parents and children talking, even if you missed a week in Sunday school. Use these questions to help you be more intentional in your conversations with your children. Use them in the car or waiting in line at the grocery. Use them before, during or after dinner. The point is simple. We want to help enhance your family experience!*

**Bible Story - God Reaffirms the Covenant**

*Genesis 25:19-26, 26:1-6, 28:10-22*

**Questions for all ages**

1. God's promise to Abraham was also to whom? (*all of his future family*)
2. What did Jacob see in his dream? (*Genesis 28:12*)

**For older children add these questions**

1. Why is it important for our family to understand that God keeps His promises?
2. What are some promises we've seen God keep to our family?
3. How can our family stand on the promises of God we see in Genesis? How does this help us grow in love and obedience to Him?
4. How does knowing that God can use our family to accomplish His plan motivate us to share the gospel?

**Family Challenge:** Draw a family tree and explain the concept of descendants.
