

### NEW HERE? WELCOME

Welcome to worship at Living Word. We believe that worship is a great place to connect with Jesus' promises and reconnect with people we haven't seen through the week. We believe life is like a story that is constantly unfolding with every passing event. We pray that through this worship service you are able to see how God's story overlaps your story.

**What to expect.** The worship outline is printed on the back and the service will be projected in full on the screens overhead.

If you have children, we want you to know that we value family and families worshipping together. If we can assist you and your family during worship let one of the ushers know.

**Offering** For our members and regular attendees, we offer multiple ways to give; placing your offering in the offering plate at the back of the church, mail a check, online at the LW website, on the LW app (click the "more" tab, then click "give"), text GIVELW to 1.888.364.4483.

**Communion** We celebrate communion every Sunday. This is a celebration of Jesus' life, death, and resurrection. We believe that Jesus is really present in communion. The bread is his body, and the wine is his blood. If you are unsure about communion, please talk to Pastor Derrick. If you desire communion but cannot come forward, let an usher know and we'll bring it to you. White grape juice is provided in the center of the trays for those who cannot have wine.

**We're just glad you're here.** We hope that this time is one that is fulfilling and that draws you closer to Christ. Use this QR code to tell us a bit about yourself. We'll be sure to connect with you soon. Blessings on your worship.
